LEADING WITH PURPOSE

“And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ.”— Ephesians 4:11–13

Leadership is everywhere in our world. There are good leaders and bad leaders, wise leaders and foolish ones. Some leaders impact many people such as an entire nation, while other leaders may only influence one or two people. It is important we understand the impact that we can make in the lives of others no matter where we are in life.

As Christians, when we are put in positions of leadership, we are called to care about those around us and serve them with Godly leadership. Our leadership should be about more than our power, influence, or individual purpose. Rather, our leadership should show Christ’s love to others and be filled with his purpose and intent.

Leading with purpose requires more than just our own strength. It requires us to rely on God and look to the Bible where He has shown us examples of Godly leadership. Each day we get to choose what type of leader we want to be. We are equipped with the tools we need to make wise choices as we develop as long-term leaders.
